

Discover Bucharest

This tour is the ideal way to get a general perspective of Bucharest and admire the best sights in a city that is constantly developing but keeping the elegance of past decades. We'll start with a walking tour in the Historical Center full of charm and elegance. You will pass by and admire architectural works of art along large boulevards and buildings of impressive size that hold world records and form our communist legacy.

Highlights

- 3-4-hours amazing sightseeing tour of Bucharest
- Learn about the history and culture in a walking tour through the Historical Center of Bucharest. Key points: Stavropoleos Church, Old Town and Lipscani district - a funky mix of ancient and new, including ruins of the Wallachian prince's – Count Dracula
- Pass by and admire Bucharest's major attractions like The CEC Palace, National Museum of History, Casa Capșa, The National Military Circle, Kretzulescu Church, Central University Library, National Museum of Art, Romanian Athenaeum
- Stop in the Revolution Square - the place which marked the end of the communist period in December 1989

Options: visit the National Museum of History and/or The Museum of Bucharest
